The District is required to pay an annual fee to the Department of Community Affairs for \$175. This is the only expense under this category for the District.

Field Operations:

West Side

Mitigation Monitoring

The District will schedule monitoring of mitigation areas.

Mitigation Maintenance

Includes the cutting and removal of exotic and nuisance vegetation from all wetland preserves and their associated buffers within the limits of the US Army Corps of Engineers permit and the SFWMD permit previously issued for the parcel west of Via Tesoro Boulevard within the limits of the Tesoro West project area. Due to the native vegetation on the site and in accordance with the conditions of the Agency permits, hand cutting of vegetation will occur where possible and application of an appropriate herbicide to the cut stumps to inhibit further growth.
